

Volunteers 2017

As a school we have been very fortunate to have many volunteers who have worked in the areas of reading, fundraising, electives and general school help over recent years.

Volunteers make a valuable contribution to both students and teachers and we appreciate your involvement. We would like to give all parents, grandparents and guardians the opportunity to be involved in some way on a regular basis in our school. Please ask grandparents, aunts, uncles etc if they are interested in participating. We value this type of assistance and to help us set up a roster, which includes you, we request that you fill out the form below and return to the school.

All Volunteers within the school are required to undergo a brief training session in order to ensure all people are aware of their rights and responsibilities in their association with the school community. There will be 2 sessions held this year and we request that any parents who may be wishing to volunteer within the school complete the sessions. Each person will only need to undergo the training one time, with the same certificate being able to be used for future years.

Training sessions will be held at 9.00am in the STAFF ROOM (next to Primary Classroom 17) on Tuesday, February 21.

Please complete the Registration Form if you wish to attend the training on this date. Please note parents/carers who attended the training in previous years, do not need to attend this year.

Registration to Attend Training Session

Name: _____

I will be able to attend the session in the Library on

Registration of Interest to Volunteer for 2016

Parent Name: _____
