# Prescott College Southern Lunchtime Chess Club – Term 1 2017

## PLAYING CHESS SHARPENS THE MIND

**AGES: Reception – Year 9**

Chess is a great learning tool that enables children to develop the basic thinking skills that are used when playing chess; problem solving, forward planning, lateral, logical and sequential thinking as well as memory, visualisation and verbalisation. These cognitive skills are developed using chess as a medium. Learning while playing!

We use a qualified instructor who uses a structured method of teaching to maximise the educational benefits of playing chess. Each lesson children are introduced to a new idea or theme with the dual aims of improving your child's chess playing ability and enriching their mental facilities. Each term students play a round robin tournament with students from their group.

Students are divided into two groups (Tuesday or Wednesday) to better meet the needs of all students. If your child would like to participate in Chess Club this term please fill out the form below and return it with cash, cheque or credit card OR indicate your choice to have account added to your fees (provided fees are up to date) to the office by the end of week 2 –Friday 6<sup>th</sup> February.

- **When:** Commencing Week 3: 14<sup>th</sup>/15<sup>th</sup> February 2017
- **Times:** Tuesday / Wednesday, 1.00pm – 1.45pm
- **Venue:** Library
- **Cost:** \$28 for Term 1
