Dear Parents

Next term we have been asked to host a group of Korean and Japanese students to come to Australia for 2 weeks. As a result we are looking for homestay families for these children.

Homestay is supervised by the school and we have certain guidelines that need to be followed. In order for you to be able to have children stay in your home we require you to complete a Homestay Form and complete the necessary police checks. The school funds these, but it is the responsibility of the individual to take the necessary paperwork to the police station and get the forms signed. I also am required to sight your driver's license. We also require a photo of your family as these are forwarded to the parents in Korea and Japan along with your completed homestay form. The payment to homestay families is \$250 per child for each week for Japanese Students and \$270 per child for each week for Korean Students.

If you are interested in being a homestay family and have not completed the required forms, please make sure you check the box that you require the forms to be sent home. If you have already registered as a homestay family, you only need return the Registration of Interest.

Thank you for your support of this program.

Kind regards

Christine Clark
Principal
