

CAR PARK PROTOCOLS

Due to some congestion that is occurring in the eastern school carpark in the afternoon, we are needing to provide some guidelines in regards to the usage of this area.

Thank you for taking note of the following:

1. There is a Kiss and Drop area in both the Primary and Secondary areas. There is to be no stopping in these zones until 3.15pm, when the school bell sounds for the end of the school day.
2. If you arrive earlier than 3.15pm we ask you to park in the carpark. At 3.15, you may then make your way to the Kiss and Drop areas to collect your children.
3. Standing in the Kiss and Drop area is to be for 1-2 minutes only, after which you will be asked to do a circuit of the carpark prior to coming back to the area.
4. There are NO STANDING areas leading to the Kiss and Drop zones. These include the driveway and roundabout off of Farnsworth Drive as this gives people access to the main carpark, and the area to the south of the Secondary School Kiss and Drop Area, which gives people access to the carpark to the south of the school. If there is no room to move quickly to the Kiss and Drop areas then do a circuit of the carpark, or park your vehicle and wait.
5. We will arrange signs to be erected in the areas as soon as possible so it is clearly marked where queuing can not occur.
6. As a school we ask you to be courteous towards other drivers and follow the guidelines so we can enable traffic to flow quickly at this time of the day.

Thank you

Mrs Christine Clark
