

Prescott College Southern

Yr 3 Ukulele Ensemble

Year 3 students have the opportunity to learn to play the soprano ukulele. This is a great introduction to learning to play in an ensemble and learning to read music.

Each lesson will comprise of:

- Warm up and technique exercises
- Theory games
- Instructional time
- Independent practice time

Please note the following:

- Children will miss their regular schoolwork and are not required to make up the work missed. If the class is completing bookwork at the time, a stamp will be placed in their books indicating that they were at ukulele Tuition.
- Students **do not** need a ukulele to join this group. The school has a set of ukuleles suitable for practicing on. **However, if you would like your child to practice at home please fill out the order form to purchase a home ukulele.**
- There are **NO FEES** to join this ensemble

Opportunities will be provided throughout the year for children to perform including:

- Prescott Music Showcase in Term 2
- Wednesday Chapel performance throughout year
- Carols on the Lawn in Term 4
