

Prescott College Southern String Programme- Year 7/8

Registration of Interest

This year I would like to introduce a string programme. It will be open to staff, and to students in Year 7 and 8.

The programme would enable students to learn a string instrument by working with others in an ensemble. The ensemble would be taught and conducted by Samantha Penny. Samantha is a very experienced string teacher and is proficient in all string instruments.

This is an excellent opportunity to learn a string instrument without the cost of weekly tuition fees.

COSTS INVOLVED

- Unlike taking private music lessons, this programme would be funded by the school meaning there will be **no charge for weekly lessons.**
- Parents would however, be responsible for hiring or purchasing the instrument to participate in the ensemble.

Here are the subsidized hire costs per term for instruments available in the programme:

Violin - \$47

Viola - \$62

Cello - full - \$125

Cello - part size - \$95

Please note the following:

There are two possible times proposed for the string programme. I would like an indication of preference for either:

- Tuesday Period 7 2:30-3:15pm
- Wednesday after school 3:15-4:00pm

If the programme is to be held period 7 on Tuesday, students will miss their scheduled lesson at that time as they would if undertaking private music tuition.

Please complete the attached 'Registration of Interest' form to enable me to assess the viability of the programme in 2018.

Kind regards,
