## HEY PARENTS! WE HEARD YOU!

Over the past couple of years our camper numbers have been low in South Australia which caused us to move to a combined Junior Teen Camp. As a number of parents have spoken out and would like another go at splitting the camps we would like to say "We heard you!" In 2019 we are having a go at two separate camps again, however this option is only open til **Monday October 15**. If we do not get enough numbers for the two camps by then we will notify everyone that the camps will be combined. So parents let's show our support for our kids and get in quick!

Each year Juniors and Teens from all over South Aus head to Ankara Youth Camp for 6 days of fun and excitement. In groups they are challenged with activities that excite the imagination pushing each child to new physical heights. We have a range of water sports for your child to enjoy this summer! Wake boarding, G Force, Kayaks, our Inflatable Wonderland and more! They have opportunities to try out the buggies, and test their skills with archery. They will also have fun learning more about Jesus in the evening programs full of singing, acts, games, crazy auctions and a chance to show off their talents. Summer camp is an experience your child will never forget and they will create lasting friendships with peers, and be introduced to Jesus as a true friend to the end!

3 July 2018

Dear teachers/teacher librarians,

Book Week 2018 is celebrated nationally during the week of 17-24 August 2018 and the theme this year is Find your Treasure.

To accommodate the high level of interest we regularly have for Book Week activities Woodcroft Library will be celebrating Book Week for the entire month of August.

During this time we would like to extend a warm invitation to your class to visit Woodcroft Library and take part in a Book Week activity. We have a range of exciting programs that can be tailored and delivered to different ages.

If you cannot visit the library we can visit your class and offer an outreach program.

If you decide to visit Woodcroft Library your class will have the option of taking part in the following activities. You can choose from:

- Delving into the world of escapism with our shipwreck escape box and treasure maps
- Making a light up lighthouse or treasure box
- Joining us for a session about bees (This year a lot of Book Week books have been written about bees, so we would like to offer a session on bees, this will include coding, making a beehive or bee and tasting some delicious honey)

Exciting news for us, we have been fortunate to be able to host the Splash Theatre Company performing their Book Week show, which has been running at the Festival Theatre!

The show date for Woodcroft Library is Friday 24 August at 1.30 for a 1.40 start.

Suitable for ages R-5  
Shows duration is 50 minutes

Each of these activities will require a minimum of two hours to complete.

To avoid disappointment, please book by phoning 8384 0050.

Yours sincerely,

Angela Berney
